

# Saving Lives and Rebuilding Families: Medication Assisted Treatment for Opioid Use Disorders

Thursday, April 18<sup>th</sup>, 2019, 12:00pm PDT (Duration 60 Minutes)

[REGISTER NOW](#)

## Webinar Speakers

- Alexa Curtis PhD, MPH, FNP-BC, Associate Professor, USF SONHP
- Jason Satterfield PhD, Professor Clinical Medicine, UCSF
- Karen Werder PhD, MSN, PMHNP-BC, Assistant Professor, Sonoma State Department of Nursing

## Webinar Objectives

- 1) Identify and assess opportunities for addressing opioid use disorders within your community and clinical practice site.
- 2) Summarize the process and requirements for providing medication assisted treatment for opioid use disorders in the community setting including the steps to obtain a DEA waiver for buprenorphine, patient census caps, reporting mandates, and recommended best clinical practices.
- 3) Describe currently available supports for clinicians and administrators to optimize capacity to treat opioid use disorder and articulate concrete next steps to improve clinic and/or provider readiness.

## Free CEUs Available

One hour of credit can be earned for this 60 minute webinar. Instructions on how to claim credit are provided in the PowerPoint slides.

## Accreditation Information

This webinar has been approved for a maximum of 1.0 Continuing Education Units toward CA BRN accreditation by the Sonoma State University Department of Nursing, 1801 East Cotati Avenue, Rohnert Park, CA 94928-3609. Provider # 16694.

A certificate of attendance is available for all who complete the full webinar and post-assessment, and may be used to count for hours toward a volunteer faculty appointment when applicable.

## Disclosures

This CEU activity was planned and developed to uphold academic standards to ensure balance, independence, objectivity, and scientific rigor; adhere to requirements to protect health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA); and include a mechanism to inform learners when unapproved or unlabeled uses of therapeutic products or agents are discussed or referenced.

The following moderators and planning committee members have disclosed they have no financial interest/arrangement or affiliation with any commercial companies who have provided products or services relating to their presentation(s) or commercial support for this continuing education activity: *Jason Satterfield PhD, Alexa Curtis PhD, MPH, FNP-BC, Karen Werder PhD, MSN, PMHNP-BC*
